## **SBA Disaster Loan Outreach Centers in** Waukesha and Columbia Counties Closing August 29

ATLANTA – The U.S. Small Business Administration announces today that the Disaster Loan Outreach Centers located in Waukesha and Columbia counties will close Friday, August 29 at the close of business.

The SBA urges homeowners, renters, businesses and non-profit organizations of all sizes that were affected by the severe storms, tornadoes and flooding that occurred on June 5 through July 25, 2008 to visit the Centers before they close. Victims may also visit any of the other remaining Centers to obtain one-on-one assistance with completing and returning their loan application before the filing deadline of September 15.

Victims should not wait to settle with their insurance companies before applying for disaster loan assistance. If a victim does not know how much of their loss will be covered by insurance or other sources, the SBA will consider making a loan for the total loss up to its loan limits, provided the borrower agrees to use insurance proceeds to reduce or repay their SBA loan.

The following SBA Disaster Loan Outreach Centers will close Friday, August 29:
